- Compliance (25%): Prepare/review annual tax returns, financial statements, BAS's and acquittal calculations
- Ability to challenge yourself and create a career
- On the job training from a supportive team

To be successful in this role, you will need to have:

- Bachelor of Accounting
- 4+ years' experience in a Business Services role or similar
- Advanced Xero user
- Intermediate Excel skills
- Attention to detail
- Ability to build rapport with clients
- Can-do attitude
- Exceptional communicator
- Inquisitive/willing to learn
- Manage multiple deadlines
- Takes ownership of work
- Team player
- Tech-savvy
- Autonomous worker

Job benefits

- Achieve work/life balance. Both Directors have young families and understand the importance of balance.
- Competitive remuneration package and ability to earn bonuses

- High performing team and culture
- Dress for your day attitude
